TENTANG LEKANTARA

Berdiri pada 2019, PT. Lentera Akademika Nusantara (LEKANTARA) lahir dari semakin besarnya keinginan dari para pendirinya untuk membantu para dosen dan peneliti, di Indonesia maupun di luar negeri, mempublikasikan karya ilmiah di jurnal ilmiah maupun dalam bentuk buku.

Dimulai dari tahun 2012, ketika para pendiri LEKANTARA mendirikan layanan penerjemahan yang hanya khusus membantu penerjemahan artikel ilmiah dari dosen dan mahasiswa ke dalam Bahasa Inggris. Dari situ, jenis kebutuhan dosen dan mahasiswa semakin bertambah, seiring berjalannya waktu dan berbagai kebijakan baru di dunia pendidikan Indonesia. Salah satunya adalah kebijakan publikasi ilmiah, di jurnal ilmiah maupun dalam bentuk buku.

Layanan pun berkembang ke penyuntingan bahasa, pencarian jurnal, hingga bantuan pengiriman naskah artikel ke jurnal ilmiah. Dan dengan makin berkembangnya kebutuhan dari dunia akademik, pemerintahan, dan swasta, kini LEKANTARA berupaya turut serta dalam peningkatan kapasitas SDM dengan menyediakan berbagai kegiatan seminar, konferensi, dan diklat.

CEO MESSAGE

Melayani adalah menolong. Dengan menolong, akan ditolong. Di dalam kehidupan, hanya ada dua hal yang akan terjadi: Anda menolong, dan ditolong. Sejak kelahiran kita di dunia, ribuan tangan telah menolong kami. Kini, saatnya kami menolong orang lain, melalui LEKANTARA.

Dengan nilai utama itu, kini kami ingin bertanya kepada Anda: Apa yang bisa kami bantu? Biarlah kami mencoba memudahkan hidup Anda. Sesuai dengan kapasitas kami. Yang tercermin dari jenis-jenis layanan kami ini.

Di atas semuanya, mari kita bekerjasama. Untuk saling meningkatkan kapasitas dan kemampuan diri. Agar tercipta manusia-manusia unggul. Di alam semesta ini.

Aulia Luqman Aziz

TESTIMONI PELANGGAN

Rahmawati Abda Universitas Indonesia

Lekantara sangat responsif dan meskipun dateline mepet masih mau... (Ini seneng banget sih). Waktu di-review sama reviewer jurnalnya, Bahasa Inggris-nya mudah dipahami, jadi udah oke banget layanannya. Kalau dibandingkan dengan teman-teman yang pakai layanan lain, Lekantara mudah banget prosesnya dan memudahkan customer banget.

Mardiana Andarwati Universitas Merdeka Malang

Yang pasti dalam menyusun buku di Lekantara, saya banyak diberi bantuan, arahan, dan pelayanan dalam menyusun buku yang baik dan benar. Semoga Lekantara tetap eksis dan semakin maju.
